

Providing Waste Handling and Recycling Solutions

iSustain Inc is proud to be the Industry Leader in Rental and Lease Programs for Waste Handling and Recycling Equipment. We offer our customers an affordable way to achieve their Waste Handling and Recycling objectives without making a capital investment. Our Rental Program gives your company the comfort of having one fixed payment that covers all equipment costs, including normal maintenance, for the life of the agreement. This program is a very simple way to free up your cash flow and allow you to invest in other non-depreciating assets. At iSustain, we have one goal in mind: *Provide Significant Cost Savings to our Customers through Waste Handling and Recycling Equipment that Exceeds our Customer's Expectations.*

Let us help grow your company's recycling program while improving your company's Bottom Line.
